Notes from Miss Roxy

Welcome to the Jungle!" This month will be filled with Dinosaur fun, African mystery, and lots of self-awareness.

It is "Healthy Body Month". With that, we will be devoting many of our lessons to the care of our bodies. Everything from personal hygiene, dental care, exercising, and proper rest just to name a few.

If any of you have anything to share with the class pertaining to any of our main studies, such as books or artifacts, please get with me so we can set up a time for you and your child to share.

Parents, please help your child make healthy snack choices. Your child will get to share in circle how their snack choices are healthy.

Valentines Day Fun

We will have some Valentine fun planned for the 2 mornings noted. This will be during our last hour of the morning class.

We will have a few games and have a special snack. The children will be able to take their boxes home at this time.

We have 40 kiddos. The children do not need to address their Valentines, they only need to sign their name. It will make it much easier for them to deliver them in the Valentine Boxes.

There is a "sign-up" sheet in the Entrance of the school. I will also send a copy with this Newsletter.

Thank-you all in advance!

At A Glance:

- 1) Please bring Valentines between the 1st-11th (40 kids)
- 2) We will celebrate the 14th and 15th in the am classes.
- 3) Please check the sign-up sheet.
